

The Robert Bruce McNee Award

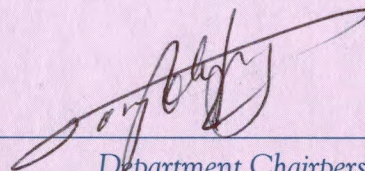

This certifies that Qiusheng Wu has won the Robert Bruce McNee Award for the calendar year 2013.

The objective of the Robert Bruce McNee Award is to recognize publically in every academic year outstanding academic achievements and research contributions by a full-time graduate student in the Department of Geography at the University of Cincinnati. The field of graduate student endeavor must be economic geography including multinational corporation geography, or the geography of the Lesbian/Gay community, both of which Professor McNee pioneered.
